Dear Ms. Vento:

Thank you for your filing on the U.S. DOT Docket Management System on November 18, 2002 requesting that the Federal Motor Carrier Safety Administration revise information regarding compliance review # OH-2001-132-US0482 from Dyno Nobel Transportation Inc. (USDOT #004183) to Dyno Nobel Transportation Inc. (USDOT #211986).

We have determined that this record does belong to Dyno Nobel Transportation Inc. (USDOT #211986). An action to remove this closed enforcement from the record of Dyno Nobel Transportation Inc. (USDOT #004183) has begun. You will see the change on FMCSA's Analysis and Information Online website next week.

Thank you for bringing this matter to our attention. We appreciate your continued concern for the safe operation of your company's trucks and drivers.

Sincerely yours,

Terry Shelton
Director, Office of
Information Management
